PROFESSIONAL SUMMARY

Motivated and detail-oriented B.Tech graduate in Electronics & Communication Engineering with knowledge of Python, Django, Flask, MySQL, SQL, REST APIs, HTML, CSS, and JavaScript. Hands-on experience developing web applications, database management, debugging, testing, and data validation through academic projects. Familiar with SDLC, Agile methodologies, Git/GitHub, API integration, and software development best practices. Strong analytical, problem-solving, and communication skills with a willingness to learn and contribute effectively in a collaborative environment.

EDUCATION

KKR & KSR Institute of Technology and Sciences, Guntur

Bachelor of Technology (Electronics & Communication Engineering)

Graduated: May 2025

NRI Junior College

Intermediate (MPC)

2019 – 2021

Z.P. High School

SSC

2018 – 2019

PROJECTS

Smart Hostel Management System | Python, Django, MySQL

- Developed a web-based hostel management application using Python, Django, and MySQL.
- Implemented CRUD operations, data validation, and database management functionalities.
- Performed testing, debugging, and troubleshooting to improve application reliability.
- Collaborated using GitHub for version control and project tracking.

Portfolio Website | HTML, CSS, JavaScript

- Developed and maintained a responsive personal portfolio website.
- Implemented interactive user interface features using HTML, CSS, and JavaScript.
- Improved user experience through responsive design and optimized website performance.
- Managed project updates, documentation, and deployment activities.

TECHNICAL SKILLS

Programming Languages: Python, Java (Basic)

Web Technologies: HTML5, CSS3, JavaScript

Frameworks: Django, Flask (Basic)

Databases: MySQL

API Technologies: REST APIs, API Integration

Version Control: Git, GitHub

Tools: Visual Studio Code (VS Code)

Software Concepts: SDLC, Agile Methodology, OOP Concepts, Debugging, Unit Testing

CERTIFICATIONS

Python Full Stack Development Certification
